

Delta Zeta National Headquarters Suspends Visits during COVID-19

In light of the rapidly evolving circumstances surrounding COVID-19, Delta Zeta Sorority is adjusting on-site National Headquarters operations for non-remote staff. Effective Monday, March 16, 2020 until further notice, Delta Zeta will suspend in-person tours and visits from non-staff members. We encourage any person who was thinking of visiting the National Historical Museum to visit our online museum [here](#). We are also limiting non-essential deliveries. Please stay informed of all Sorority communications and updates by referring to Delta Zeta's website at <http://www.deltazeta.org/covid19>.
