

Impact Report

Hearing and Speech has been Delta Zeta's philanthropy focus since 1954. Through our partnership with The Starkey Hearing Foundation, Delta Zeta women use philanthropy to improve lives around the world through giving the gift of hearing.

Since 2015,
51 Delta Zetas have
attended a mission
with the Starkey
Hearing Foundation.

Delta Zeta women have
served in 11 countries
around the world.

Over 19,000 patients
were given the gift of
hearing on the
missions that Delta
Zetas attended.

Delta Zeta has raised
over \$5 million
for the Starkey
Hearing Foundation
since 2015!
